21 days are over... but continue to take time to pray this week and beyond. Let the Lord's Prayer guide you for the next 5-6 days.

- Ask God to help you relate to Him as loving Father. Take time to worship Him (highlighting at least one of His attributes)
- Ask God to help you discern His kingdom and will around you so you can join Him! How are you serving Him with your gifts and time?
- Ask God to help you trust Him as a provider for your daily needs. Have you decided how you will be generous towards God's mission locally (WSG) and beyond in 2019? (1 Cor. 9:7)
